

ANGYLS PLAY TOO

Foaled April 20, 1999, Angyl is a very pretty mare who shows her Arab heritage. Dark bay with very little white. Sweet disposition. Bred to be a sport horse, she is started under saddle and hopefully in her first walk-trot class by the Fall of 1992. Shown in sport horse in hand classes and has done very well.

Her sire is Joanie's Chief, Grade I stakes winning son of Ack Ack, with earnings of over \$400,000. He has sired winners on the track and in the hunter ring. Her dam is Mystic Angyl, a black bay mare shown only once in halter, winning the North Texas Arabian Horse Club futurity. Injury prevented a performance career.
