

JArnold

DIXIE

Five year old thoroughbred cross. No papers are available. 16.0 hands. Four socks and a blaze added to lovely movement make for a eye catching appearance. Really sweet around people.

Started lightly under saddle last year and being ridden now. She was purchased for her potential as a dressage mount and as a mare to breed for sport horse/Arabian crosses. She is for sale only because of a decision to cut down on horses being bred. Will sell with a breeding to any Mystic Acres stallion.
